In all cases, contact workers tell women about:

- What information and support they need.
- Any threats, direct or indirect, to their or their children's safety.
- What the group has been talking about.
- What they, as the provider, will do in the event of a man breaching a contract agreeing to:
  - Not notify relevant authorities of possible risk to children, consistent
  - Reviewing critical incidents.
- Notifying relevant authorities of possible risk to children, consistent
- Reviewing critical incidents.

Program providers assist women and children to make and revise safety

- Notifying relevant authorities of possible risk to children, consistent
- Reviewing critical incidents.
